Buy Building For Housing Social Centre

PUBLIC MEETING VIEWS PROGRESS MADE BY CITIZENS' COMMITTEE

Purchase of the premises on Essendene Avenue east formerly occupied by the Willan Hardware for the United Services Social Centre to be established for Abbotsford coincident with the opening of the elementary flying training school at the airport here, was announced at the public meeting held Monday night. Called by the Abbotsford-Sumas-Matsqui Citizens' Committee, the sponsor of the Social Centre, the meeting was held in Trinity church hall and was well attended, about 50 representative citizens being present.

Rev. Alfred J. Loughton, chairman of the committee, presided. He outlined progress to date and expressed appreciation of help received to date. After consulting with coast officials experienced in auxiliary services and social centre work in this war and viewing the work at Chilliwack on several occasions, it had been decided to be advisable and necessary to purchase the former store premises in Abbotsford. It would provide ample room for the various facilities, reading, writing, recreational and canteen to be installed and would be convenient in other ways as well.

The report of the treasurer, Mrs. R. Gilmore, revealed that donation to the centre now totaled \$229 and pledges of monthly assistance amounted to \$19 a month. This was considered a satisfactory start, particularly in view of reports that additional donations and pledges were to come in.

Mrs. H. E. Cannon, convenor of the canteen committee, said it was proposed to operate a canteen on similar lines to that found successful at Chilliwack. Hours would be 7 p.m. to 10 p.m. except dance night, 7 to 12:30 midnight. Minimum prices would be charged and efficiency would be the watchword.

Other convenors making brief reports included Mrs. C. R. Grant, hostess committee; Mrs. C. F. Weir, hospitality; Mrs. Roberts, entertainment; H. S. Andrews, finance; and H. MacFadyen, furnishings. Proposed constitution of the committee was discussed at some length.

On the following morning, Tuesday, Rev. Loughton, Rev. C. W. Bryce and Rev. G. R. Tench again visited the Chilliwack Committee and learned that incorporation under the Societies Act is now being undertaken there and was commended to the consideration of the M-S-A committee.

VETS. TO GET FORMER JAP LANDS IN VALLEY

Distribution to Take Place After War

State Secretary McLarty announced Friday night at Ottawa that 769 parcels of farm land in the Fraser Valley, formerly owned by Japanese, have been sold to the director of the Veterans' Land Act for future disposition to British Columbia men now in the armed forces.

Proceeds of the sale will be credited to the accounts of the former Japanese owners. It was negotiated by Mr. McLarty, as custodian of enemy property, on the recommendation of the advisory committee on rural property set up under Judge White-side of New Westminster.

The owners of the land have been evacuated from the protected areas of British Columbia, of which the Fraser Valley is part.

Administration of the tracts will be transferred to the provincial supervisor under the Veterans' Land Act, at Vancouver.

Men discharged from service before the end of the war will not be settled upon this land until after the war.

During the month of May there were 61 patients treated in the M-S-A General Hospital, according to the matron's report submitted to the Board of Managers. Forty-eight of these were admitted during the month and 13 remained from April. Days of treatment totalled 348.

REV. LOUGHTON ACCEPTS CALL TO WINNIPEG

Announcement was made to the congregation of the Church of the Nazarene in Abbotsford on Sunday that pastor Rev. Alfred J. Loughton has accepted a call to the church at Winnipeg. Rev. Mr. Loughton, assisted by his wife, Rev. Mona Loughton, has served the local congregation and Stratton for the past three years. In this period, he has been outstanding active in the community, serving the M-S-A Area Branch of the Canadian Red Cross Society in the capacities of both vice-president and local chairman of national campaigns for funds. He has been chaplain of the M-S-A Branch of the Canadian Legion and vice-chairman of Unit 19 of the B.C. National War Finance Committee, only recently receiving a Citation of Merit for his efforts on behalf of the Fourth Victory Loan.

More recently he has been active in the organization of a United Services Social Centre for this Area, being the unanimous choice to head the M-S-A Citizens' Committee sponsoring this effort.

He will preach his last service here on Sunday, July 25.

Fourteen Quilts Made by Two Sumas Women

Mrs. Wm. Porter of Sumas Prairie brought to the M-S-A Red Cross work room in Abbotsford last week a packing case containing 14 wool quilts made entirely by herself and her daughter-in-law, Mrs. W. Porter, Jr. The two women provided all the material, saving woollen articles which they sent away to be made into batts for the filling, in some cases dying flour sacks for backing and using bright colors to match the patch work color scheme.

One quilt is worthy of particular mention, being made from the legs of heavy grey work socks, used in squares, joined with bright feather stitching in red and backed with grey flannette.

Mrs. Porter states that they devoted each Friday to this work and that it took "quite a while." Before the quilts are shipped overseas, it is hoped to be able to display them in the window adjoining Abbotsford postoffice.

Associated Boards of Trades Give Further Consideration of Land Ownership by Conscientious Objectors in the Valley

APPOINT STANDING COMMITTEE TO REPORT ON PROBLEMS; REPLY FROM OTTAWA TO RESOLUTION 'UNSATISFACTORY'

Fourteen Fraser Valley and Lower Mainland Boards of Trade were represented at the quarterly session of the Associated Boards of Trade held at Mission on Friday afternoon. President Gordon Towers of Langley presided and expressed gratification at the attendance. There were 35 delegates present including four from Abbotsford and District Board of Trade, Mission and District Board of Trade.

With all districts in the valley represented with the exception of Surrey, apart from White Rock, President Towers and Past President Ralph S. MacPherson of New Westminster were appointed to urge reorganization of the Board of Trade formerly active at Cloverdale, the municipal centre. In view of transportation difficulties it was decided to hold the next meeting at New Westminster accessible to all boards by bus, train, tram or auto.

Equality of Responsibility
Principal discussion at the meeting centred on the Chilliwack resolution unanimously endorsed at the preceding annual meeting concerning ascription of land by members of religious sects enjoying exemption from armed service and the replies received from Prime Minister Mackenzie King and members at Ottawa. It was stated a copy of the resolution had been forwarded to Victoria but no reply had, as yet, been received from Premier Hart. The Ottawa replies intimated belief that the subject was one for provincial authorities to deal with. After two hours of discussion it was decided to appoint a standing committee to continue study and investigation of the subject. This committee will report to the next quarterly meeting. To it also was referred a report that inquiries were being made for upward of 500 acres in the Fraser Valley for a colonization project.

Delegates of the various trade boards represented were asked by President Towers to speak to or report on phases of the land ownership and citizenship angles involved in the question of conscientious objectors.

Secretary Bill Payne of Vancouver Board of Trade and Ralph

GUN CLUB TO HEAR, SEE OF B.C. FIELD AND STREAM

At the regular meeting of the Ridgedale Rod & Gun Club, to be held on Tuesday, June 29, in the Ridgedale hall at 8 p.m., Commissioner Cunningham of the B.C. Game Commission will show pictures on game and fishing in British Columbia. The club states that everyone is welcome and no admission will be charged.

SWIM CLASSES ARE PLANNED

Under supervision of Thomas Ruben, Pro-Rec chief instructor, swimming and lifesaving classes will begin in Abbotsford Monday evening at the swimming pool. This has been a feature of the past few years and it is anticipated there will be a large number take advantage of the skilled instruction this year.

HELPING THE VICTORY GARDEN ALONG

Helping in the Victory garden is healthy exercise and nearly everyone in the family can co-operate in growing vegetables for this summer and next winter. In the picture a willing young amateur is sowing peas to grace the family table later in the year.

Hostel Readied for Berry Pickers; Local Men Commended on Efforts To Help Farmers Secure Workers

SETUP A LOCAL ACHIEVEMENT; PROBABLY WILL REMAIN FOR DURATION TO AID BERRY FARMERS

Oh, to be a berry picker and live in a hostel! In the auditorium at the Philip Sheffield high school at Abbotsford 106 spring cots are set up ready for Vancouver girls to arrive, and on Tuesday evening, Mrs. C. Williams, director of the hostel, and her assistant, Miss A. Burrows, were busy counting out a miniature mountain of pillows. When the girls arrive they will bring their own sheets and blankets. The cots have been provided by the Public Works Department, and paleaceous filled with straw will serve as mattresses.

Placement Of Pickers Aided By New Office

Farm and berry growers of the M-S-A Area have now the facilities of an official Farm Help service and placement officer to assist them in securing help. Acting on the recommendation of the M-S-A War Agricultural Production Committee, P. H. Reimer, formerly of Sumas and now resident in Abbotsford, has been appointed Placement Officer for the Area by the Dominion-Provincial Emergency Farm Labor Service.

His office adjoins that of The News in Abbotsford.

Mr. Reimer assumed his new duties last Thursday, taking over from Lang. Sands, chairman of the M-S-A Agricultural Production Committee who had been acting in the capacity of placement officer for the past month. With the opening of the berry pickers' hostel in Abbotsford, Mr. Reimer will act in conjunction with the Labor Secretary there in allocating girls where needed. All growers and farmers needing help should apply direct to Mr. Reimer and keep in frequent touch with him as regards their changing requirements.

In view of the fact that the berry growers, whose needs ordinarily would be most pressing at this time, have not required so much help on account of unseasonable weather, first girls to reach the local hostel have been allocated to other farm work today. Local girls and boys as well as adults, registering at the local office, to assist on farms, have also been placed.

The domestic science room has been fitted out for a dining room with long tables covered with white oilcloth. Two huge cafe type ranges have been set up ready for the cook, Miss E. Atchison, who will prepare morning and evening meals for the berry pickers. In one room adjoining the main dining room are grocery supplies and cooking utensils. Dishes and cutlery each have their place in cupboards in the dining room.

The dressing rooms off the stage in the auditorium have been allocated as quarters for the staff members and a sick bay has been established on the stage. Miss Agnes Brown has been appointed health supervisor and the hostel has been inspected by Dr. H. E. Cannon. Mrs. E. Hoskyn is the housekeeper and Mrs. Milne is camp assistant.

In the hallway of the auditorium an office has been established where complete records of the girls will be kept by their own labor secretary. The girls will receive the basic wage rate set by the conference of Fraser Valley Local War Agricultural Production Committees held in Abbotsford recently. A weekly board fee will be charged which will include flat laundry.

Six showers and two ablution tables have been installed in the basement of the high school.

Local Achievement
Installation of equipment has been under the supervision of Percy Jones, M-S-A Area school building superintendent, who has been assisted by R. Higginson, high school caretaker; W. Hyde, B. Bjerke and P. Buker. J. A. Weir installed the showers, ablution tables, water heater and other plumbing. These men have worked until midnight for several days to have the hostel ready to accommodate pickers as soon as they are needed by growers.

Mrs. Williams, who comes from Burnaby Welfare Department, and members of her staff all speak highly of Abbotsford and its citizens and are appreciative of the generosity and help they have received. On Tuesday afternoon, Dr. J. C. Berry, Fraser Valley superintendent of the Dominion-Provincial Emergency Farm Labor Service, expressed to Percy Jones appreciation of the work accomplished and of the co-operation received here.

First occupants of the hostel were three girls who arrived from Vancouver on Tuesday: Birthe Johnson, 2724 W. 5th and Irene DeForest, 2716 W. 4th, came from Kitsilano high school, and Josephine Jacobs, 1260 Barclay, has recently come from Edmonton technical school. All three are anxious to start work, but on Wednesday morning when there was no berry picking to do, they were busy tacking oilcloth on the dining room tables and helping generally in preparing the hostel for 100 more girls. When questioned how they liked hostel life, Josephine was quick to speak up and say, "we really have super cooks." The girls are expecting more of their chums to join them later in the week.

WILL CONSIDER ADVISABILITY STAGING FAIR

The advisability of staging the annual fair this year will be reconsidered at a meeting of the directors of the Central Fraser Valley Fairs Association to be held in the Men's Club, Abbotsford, on Thursday, June 24, at 8 p.m. The question has been raised in a letter to the Board from Huntingdon Women's Institute which suggests that in view of the many wartime activities in this Area it might be better to forego holding the fair this year.

Mission lived again through its infancy, Friday night when the Mission City & District Board of Trade celebrated its 50th anniversary and the 51st anniversary of incorporation of the district.

Frank Statement By Mennonite Replies to 'Language' Charge

Rev. Cornelius Peters, Secretary of the Mennonite Brethren Church in British Columbia, as interviewed by Rev. Alfred J. Loughton, pastor of the Church of the Nazarene, Abbotsford.

In view of the deepening controversy over the Mennonite position of not bearing arms in war and of the incomplete report of the local situation which appeared in The Vancouver News-Herald of June 19, I approached Rev. Cornelius Peters, secretary of the Mennonite Brethren Church of British Columbia, who is also the minister of the North Poplar Mennonite Church.

Rev. Mr. Peters very frankly expressed the position of the Mennonite Brethren Church. He said that each young man subject to call and having convictions regarding the bearing of arms is given, upon his own request, a certificate to this effect signed by the minister of his church. The position of the church has been brought into criticism, Rev. Peters thought, not because of these young men who have honest convictions, but rather because of those men who have left the farms to enter war industries but still claiming to be Mennonites.

Forfeit Right

Rev. Peters states that such men do not come under the provisions of the Militia Act which provides for exemption from military service of conscientious objectors. They forfeit the right to the aforementioned certificate and any carrying such a certificate does not do so with the consent of the church.

Further, Mr. Peters gave me a letter on this matter, written in German and dated, Yarrow, April 28, 1943, which was addressed to the church membership. It plainly describes the place that the Mennonites are being asked to fill in the country's program—that is, the responsibility of remaining on the farms and producing agricultural products to

the limit of their ability.

Upon being questioned on the language subject, Mr. Peters gave the following information: Mennonites accept the Bible teaching that the Gospel should be preached to all men. To do this those who cannot understand English must hear it in German. There is now a rapid increase of preaching in English and in two of their churches in the Fraser Valley, Haney and Harrison Mills, all the services are conducted in English. During the summer they hold 34 Children's Mission Vacation Bible schools in the Fraser Valley and all these are conducted in English.

Children Teach Parents

In the U.S.A., Mr. Peters said, practically all Mennonites use only the English language. Two missionaries recently visited the churches here and their services were all in English. Mr. Peters believes that, in a few years English will be the only language used. I questioned him concerning the contention that Mennonite children are not allowed to speak English at home. He said it is false. Mr. Peters stated his own case: Originally he knew no English, but his four sons attended school here, came home and taught both their father and mother English as they learned at school. He said there

Assistance and Insistence

Congratulations showered on the Mission & District Board of Trade at its 50th anniversary meeting held on Friday night are well merited. They came from representatives of Boards of Trade present from all parts of the Fraser Valley and the Lower Mainland including coast cities of Vancouver and New Westminster.

Mission has earned an outstanding reputation for the interest and friendly atmosphere of its functions and the Mission & District Board of Trade has been the main-spring in keeping Mission in the public eye, through these affairs as well as consistently carrying on progressive community development. Much of the credit for the municipal services, the progressive business centre and the service, educational and recreational facilities of Mission can be honestly accepted by Mission Board of Trade.

Sole service organization of the business, industrial and agricultural interests of the northshore community, the Board of Trade, throughout its half-century of service, has striven mightily to develop Mission and encourage the friendly interest in Mission of neighboring communities and the larger centres at the coast. The Board of Trade has supported Mission Municipal Council

and Mission Village Commission in practically all of the projects that have tended to make the community a good place in which to live and make a living.

Excellent school facilities have resulted from the co-operative effort thus displayed by business men, farmers, industrial leaders and the elected representatives of the citizens. Paved roads, streets, modern street lighting, splendid agricultural grounds with grandstand and other facilities have resulted. Industries have established in Mission and its vicinity with a fore knowledge of community support. Through it all, Mission men and women have enjoyed the knowledge and satisfaction as well as the benefit of having contributed, through such public spirit, service, to the upbuilding of their community. Assistance and insistence in Mission is winning a just reward. Here on the south side of the Fraser River we hope to match this development while continuing to watch Mission district grow and prosper. It cannot help but do so if its Board of Trade continues to enjoy such splendid support from all sides of the community during the next fifty years as it has experienced in the past and probably more difficult first half-century.

A Grand Army

(The Lynden, Wn., Tribune)

This nation is joining with its Canadian neighbors in mourning the passing of a famous country doctor. Dr. Dafoe, who saved the lives of the quintuplets in the little northern town, never reached the age of 60.

Great personal sacrifices to serve their patients cut down the life span of our country doctors. In our town of Lynden in the last few years, we've lost two young

men, whose health was undermined by long hours and nervous strain in their constant rounds to ease pain and prolong life.

No armistice during their lifetime ever ends the battle of Dr. Dafoe and these noble country doctors. They make up the Grand Army of our Republic that is never mustered out.

English Is Wonderful

(The Surrey Leader)

English is a peculiar language, with so many rules that the ordinary mortal usually uses what "sounds" best, and leaves the rules to the professors. To add to the confusion, not even the experts agree on all points. So don't judge us too harshly if sometimes we wander from the straight and narrow syntactic paths.

One of those little problems in English we on the weeklies frequently meet comes up when an organization is holding a ladies' night. The copy handed in usually reads: "Members are cordially invited to bring

their wives." To us, that sentence has always had a Mormon sound—we're looking for the day when some patriarch in Surrey arrives at such a gathering with three or four of his wives. But somehow, "Members are cordially invited to bring their wife" doesn't add to the tone of the group.

Even more ambiguity occurs when the organization includes bachelors as well as the benedicts, and members are advised to bring "their wives or sweethearts." Some fellows never are satisfied. Yes, English is a beautiful language, but it has its pitfalls.

Unpleasant... But Necessary

(The Ottawa Citizen)

The object of the most recent order issued by the National Selective Service is to make available for essential work men who are now employed in non-essential occupations, that is, men who are producing things or rendering services which, in these difficult times, we can readily do without.

It is not pleasant to have the even tenor of our lives disrupted, but war is no respecter of persons. Thousands of our young men of military age have gone straight from the colleges and joined the armed forces of this country. Thousands of older men have given

up lucrative jobs in which the future seemed so bright in order to play an honorable part in putting down oppression. Many of them have already given their lives. It is not too much, therefore, to ask that those men now engaged in non-essential occupations and who are not called to serve in the army, navy or air force, report to the nearest National Selective Service office for other employment which will enable them to make a very direct contribution to our united war effort.

the off beat... Bill Hamblay

Abbotsford may have double honors come home in regard to the nation's need for a new victory song. Owen J. Bennett of Abbotsford has already won the sponsored contest for writing of the lyrics and now Wilson "Russ" Morgan, night clerk at Hotel Atangard and popular as a local dance orchestra leader, tells me he is having a try at composing a suitable melody. Whether or not Mr. Morgan's music wins the contest, it would be a nice thing if we combined Mr. Bennett's lyrics and Mr. Morgan's music to make the M-S-A's own victory song.

Mr. Morgan has composed a number of other pieces in the past, one waltz of which his dance band plays at dances.

Proud mothers are among the most guilty of "loose talkers". Their soldier-son comes home on leave — perhaps his last before heading overseas, tells his folks a few facts in confidence. Then Mother lets the countryside know all about it. One incident of that nature occurred in Abbotsford this week. Mother was speaking to a few friends in a restaurant (of all public places) and gave complete information; time and place of departure, destination, and the number of men concerned. If she had stopped to realize the danger of such talk, she would have told nothing.

"I'm a hungry woman," declared the newly enlisted CWAC. "Where do I eat?"

"I suggest," said the sergeant, "that this first evening you mess with the officers."

"I've already done that," answered the CWAC impatiently. "But I tell you I'm hungry."

Small tables for use as writing desks, and easy chairs are among the furniture needs for the setting up the Social Centre for boys in the services at Abbotsford. If you have either or both and would like to see them put to such good use, contact the committee and let them know.

We can all admire the local shampoo artist who says she would like to give Hitler an egg shampoo. Her recipe is one bucket of ice cold water followed quickly by smashing on top of his head one large egg, such as the kind laid by our large bombers.

Poemette of the week: You'll be a farmer yet, farmerette.

Time Bombs

"I've been selfish all my life and never noticed it," said a school girl. Familiarity, it seems, breeds blindness if it doesn't breed contempt.

As the home goes so goes the nation.

A hot temper often comes from a cold heart.

Idealists try to plan tomorrow's world on paper. Realists know they'll have to build it out of people.

Men still living on the moral capital of yesterday can scarcely understand the moral bankruptcy of today nor the moral battle for tomorrow.

They are also absentee who are only absent minded.

If the church is not to become a museum where old Christians are stored, it must be a production line where new Christians are made.

Education is to prepare people to live—not just to make a living.

The great men is intent upon his work; the little man upon his reputation.

Do You Remember? Fifteen Years Ago In the M.S.A. Area From the A. S. & M. News of June 20, 1928

H. E. Beetlestone, Aldergrove customs examiner, is temporarily filling the vacancy caused by J. S. Bates being transferred to Vancouver.

Construction work in the new condensery factory at DeLair is proceeding favorably.

A double wedding was performed in Bellingham when Ina and Nina Sanford, twin sisters, became the brides of Thomas Kerr and Hugh Richmond, both of Clayburn.

J. H. Bury was elected president of the B.C. Poultry and Egg Co-operative Association which was formed here recently.

Huntingdon CPR station has been moved to the old immigration shed.

W. L. Blatchford is building a barn on the site of the one recently destroyed by fire.

June 21, 1933

Arrangements are underway to have a library deposit station at Matsqui.

Atangard softball team defeated the Red & White team by a score of 11-2. B. Webster hit a homer for the losers and Fred Sterling bagged one for the winners.

Safeway store is advertising pork roasts at 12c a pound and beef roasts at 15c a pound.

The aquatic event on July 1 will be started off with a men's bathing beauty parade. Commissioner J. Gilmour will lead the parade.

A total of 28 patients were treated in the M-S-A Hospital in May. Three babies were born.

F. Matthews will display his Indian relics and ancient coins at The News block this week.

BAN OPEN FIRES

An order stopping issuance of burning permits between June 1 and October is in effect in Lynden area, The Tribune reports. Chief reason: "to keep the air free from smoke."

The Allied armies are rolling to victory on a sea of oil. So that tankers might carry the vital fluid to Britain and North Africa we in Canada must do without. Bus service, too, is cut down — by federal order — although traffic is up because many private automobiles are laid up or only partly used. We know you'll understand why and we promise you that Pacific Stage service will be back at the old standard as soon as possible after victory has been won.

The Chinese thought of it first!

THOUSANDS of years ago, the Chinese used a form of gunpowder—a flaming chemical of defence dumped over battlements upon an invading enemy.

And from this age-old beginning has evolved smokeless powder made from high-proof alcohol. Like the airplane, it has done much to further the progress of mankind—but in evil hands it has meant tyranny and enslavement.

As the tempo of this war for liberty increases and our armed forces in all parts of the world swing to the offensive, more smokeless powder for our shells, bombs,

depth charges and torpedoes is a vital necessity.

And because we have vast fields of grain and the facilities to convert them into high-proof alcohol, the United Nations shall have an overwhelming superiority of fire-power to pulverize the enemy into unconditional surrender.

Thus, China's primitive powder of defence has finally developed into the weapon to drive tyranny forever from this earth. In a way, it is the hand of ancient China reaching out in defence of free men everywhere.

Alcohol for War is also used in the manufacture of Synthetic Rubber, Drugs and Medicines, Photographic Film, Lacquers and Varnishes, Drawing Inks, Compasses and other Navigation Instruments, Plastics, Shatterproof Glass and many other products. Every Seagram plant in Canada and the United States is engaged 100% in the production of high-proof Alcohol for War.

"WORKMEN'S COMPENSATION ACT AMENDMENT ACT, 1943"

RECENT amendments to "The Workmen's Compensation Act" place British Columbia's legislation in the forefront among all compensation laws on the North American continent.

As a result of the amendments, the benefits given to workers under the Act have been greatly extended. The increased benefits will amount to approximately half a million dollars per year.

Dependents may now include the wife, husband, parent, or child of a workman for the purposes of benefits under the Act. The regulations also have been widened to embrace additional classes of employment not hitherto covered, and a number of industrial diseases have been included for beneficiary purposes.

The monetary benefits granted to workmen and their dependents in all classifications have been increased.

An important change provides for the setting up by the Board of a rehabilitation system whereby injured workmen can be trained to enter an occupation other than that in which he was injured.

Another amendment provides that the Silicosis Section of the "Workmen's Compensation Act" shall also apply to coal miners. The position of claims for hernia developed through injury is also clarified. Finally, a subsistence allowance of \$2.50 per day may now be allowed to a workman who is instructed to appear in a place, other than his place of residence, for medical examination or examination by the Board.

Hon. G. S. Pearson, Minister.

News of the Farms

Sumas Boys and Girls Calf Clubs

There was an excellent turnout of Sumas Calf Club members at the B.C. Swine Breeders' Field Day at Langley June 5 at "Benna Vista," farm of H. Reifel.

There were classes in hog carcass, brood sows, bacon hogs and Jersey cows. Entries came from Chilliwack, Cloverdale, Langley, Richmond, Mission and Sumas clubs, making a total of 100 in all.

Nellie Vanderhoek topped the local club with a score of 259 which placed her 8th among all comers. Individual scores for the Sumas clubs are as follows:

	Carcass Class	Brood Sows	Bacon Hogs	Jersey Cows	Total
	P R	P R	P R	P R	
Nellie Vanderhoek	50-10	50-5	45-28	33-38	259
Bertha Hoppe	50-15	50-10	45-20	37-20	247
Jessie Simpson	40-22	50-10	45-16	37-20	246
Irene McGarva	38-13	46-22	45-7	48-10	229

* P stands for Placing; R for Reasons.

GARDEN TIPS

from

T. Preece, Bradner

Potatoes: Cultivate and earth up early varieties.

Peas: Now is a good time to sow a row or rows of early marionettes to come in late, either for table or canning.

Radishes: Make fresh sowing.

Spinneys: Plant out now.

Tomatoes: Plant out at once.

Turnips: Sow maincrop now.

Cucumbers: Sow or plant on ridges for pickling.

Marrows: Sow now on ridges.

Pumpkins and Squash: Plant now on good ground.

Endive: Sow now.

Scarlet Runners: Sow now.

Leeks: Transplant those sown in March.

JUNIOR CLUB FIELD DAY

A field day will be held on Wednesday, June 30, at 10:30 a.m. at Agassiz Experimental Farm for members of boys and girls clubs in the Fraser Valley. There will be classes of Clydesdale horses, Holstein cattle, Yorkshire hogs, and probably a class of sheep. Club members, coaches and all those interested in club work are invited to attend. Club members are to bring their own lunches.

WHATCOM COUNTY HERD AVERAGES

High herd honors for May in Whatcom County went to the Jersey herd of R. D. MacDonald of Ferndale. The 15 Jerseys had an average of 1038 pounds of milk and 52.6 pounds of fat.

A close second was the herd of Nick Roorda of Lynden. His 16 Holsteins averaged 1523 pounds of milk and 51.9 of fat.

Bob Tiplin's Golden West Dairy Guernsey herd of 27 cows held the third place with an average of 1022 pounds milk and 46.0 pounds fat.

TROPHIES FOR FRASER VALLEY POULTRY CLUBS

*Interest is very keen in Poultry Club work in the Fraser Valley this year and a number of trophies and special prizes are being donated as follows:

Pringle Hatchery in Chilliwack is donating a trophy for Chilliwack clubs.

Rump & Sendall Ltd. of Langley Prairie are donating cups for Langley and Surrey clubs.

S. J. Sanders Hatchery in Cloverdale is donating a trophy for Surrey clubs.

A special prize by the Cloverdale local of the Pacific Coast Poultry Producers Association for Surrey clubs.

Fleetwood Community Association is donating a special prize for Fleetwood clubs.

The D. W. Strachan cup will be awarded to the winner of the Mission clubs.

SUMAS BUYS WATERWORKS

Voters of Sumas City, Wn., endorsed 102 to 6 a plebiscite to purchase the business of Sumas Water Co. for \$15,000 effective July 1, paying \$5000 down and the balance at 4%. A further \$1500 was voted to be spent for improvements to the system.

FRESH HOLSTEIN BRINGS \$175 AT DENNIS AUCTION

Good fresh cows were in demand at the Dennis auction market on Saturday and a Holstein, fresh three days, fetched \$175. Other fresh cows sold from \$65 to \$115, and young stock ranged from \$21 to \$55. Beef cows sold from \$45 to \$80; bulls, \$47.50 to \$90; and calves, 50c to \$18. Calves sold well. There was a light consignment of hogs, and a butcher hog sold for \$46. Sows ranged from \$40 to \$54.50, and weaners from \$8.50 to \$10. Poultry sold from 42c to \$1.35 and fryers from 37c to 58c.

CHANCE TO AID "MILK FOR BRITAIN" AND WIN HOUSE

Kinsmen Sponsor Worthy Fund

During the past two years, the Kinsmen Clubs across Canada have raised, through the generous support of the Canadian people, over \$800,000 for their "Milk for Britain" fund.

This represents over eight million quarts of milk delivered in Britain for free distribution to its future citizens, wherever and whenever emergencies exist.

The fund was originated as a direct result of an appeal from the British Ministry of Food when it became apparent that a serious scarcity of this health-producing food existed because of Britain being cut off from her former sources of supply.

British Columbians have freely responded to the appeal of the provincial Kinsmen and have been of considerable assistance in making the Milk for Britain fund a valuable factor for victory.

The Kinsmen Clubs of Greater Vancouver are now offering you an opportunity of contributing to the Milk for Britain fund as well as an opportunity of winning a lovely, brand new furnished home.

This is a five-room Cape Cod house with an unfinished attic, an attractive garage and a victory garden, located at 2190 West 18th avenue in Vancouver.

By subscribing one dollar to this worthy cause you may become the proud owner of this beautiful home.—Help the Kinsmen Help the British Kiddies.

UNRESERVED

AUCTION ALBERTA HORSES

Gibson's Sale Barn

STRAITON—In memory of our beloved Mother, Mary Ellen Straiton, who passed away June 24, 1939. You are not forgotten, Mother dear. Nor shall you be as long as life and memory last. We will remember thee. —Inserted by her four daughters and son.

ABBOTSFORD SOCIAL & PERSONAL

Mr. and Mrs. Phil Buesnel, who have been staying at the home of Mrs. A. McPhee, left last week for Trail.

Orville Reimer of Coquitlam spent the weekend with his grandparents, Mr. and Mrs. P. H. Reimer.

Miss Jean Bartram of New Westminster spent the weekend with Miss Dorothy Jones.

W. A. Wattie of Vancouver is here visiting his daughter, Miss Margaret Wattie and friends.

Miss Peggy Anderson of Vancouver was a weekend guest of Mrs. Ray Green.

Mrs. Olive Wademan has returned from a holiday spent at Edmonton.

Miss Edna Rochon of Victoria was a guest at her home during the weekend.

Paul Cass of Vancouver was at home for a few days.

Mrs. Larry Caul of Harrison Mills visited at the weekend with her mother, Mrs. W. J. Callahan.

Parents and friends of the pupils at the Peardonville school were entertained at a social afternoon on Friday. The children did folk dancing and sang solos and duets. Refreshments were served to the guests. Supervision of the affair was under Miss Audrey Mills and Miss Betty McLeod.

MENNONITE STATEMENT

(Continued from Front Page)

might be some Mennonites who would insist their children refrain from speaking English, but, he stated, such persons would not be loyal Mennonites. He further stated that a Mennonite who will be loyal to his principles will be a loyal citizen of Canada.

Mr. Peters served with the Russian Army as a stretcher bearer at the front during the last war. One of his sons is serving in the Old Country with the Canadian Signals Corps.

Appeal to Members

The letter referred to above, translated by an Abbotsford citizen, reads substantially as follows:

Yarrow, April 28, 1943. Dear Brothers: The Committee of the Non-Combatant feels that the following should be brought to your attention.

The officials of the government (military department) feel that there exists a contradictory situation insofar that Mennonites, who call themselves non-combatants and who demand for themselves a non-combatant service for their young men, work in the defence industries.

This condition makes the work of the Non-Combatant Committee harder and harder, which is obvious. There is no doubt that if the conditions prevail, i.e., if Mennonites continue to work in defence industries there might arise very serious consequences in regard to Mennonite Military Service exemption.

In view of the above, the committee is asking, very seriously and in all charity, such Brothers as there are working in defence industries, and also

Morning service at 11 a.m., evangelistic service at 7:45 p.m. with Sunday school at 10 a.m. Midweek service on Wednesday at 8. Service and Sunday school at Straiton at the usual hours of two and three o'clock.

Anglican Services

June 27 is the First Sunday after Trinity. Services at St. Matthew's, Abbotsford are: 8 a.m., Holy Communion; 11:15 a.m., Holy Communion and sermon; 7:30 p.m., Evensong and sermon. At St. Margaret's, Bradner, the service of Holy Communion will take place at 10 a.m. The vicar will be in charge of all services. The midweek service will be on Tuesday, June 29, St. Peter's Day, Holy Communion and Intercessions at 9:30 a.m.

Pentecostal Church

Plan to attend this Sunday. Sunday school at 10 a.m., morning worship at 11 and a live Evangelistic service at 7:45 p.m. Prayer meeting Wednesday at 8 p.m. Young People's meeting at 8 p.m.

such who call themselves Mennonites and work there, to heed very determined and urgent advice to discontinue such employment.

Valued as Farmers

It should be understood that such individuals who work in defence industries forfeit the right in event of being called, to the certificate of non-combatant Mennonite.

Also, every community should declare a clear, unequivocal resolution setting forth their attitude in the above matter. This probably would limit further deviations.

Allow us, dear Brothers, to remind you that, at the time of our arrival here, the government considered us an asset as farmers. As farmers we are recognized and valued.

Let us in these difficult times serve our government as farmers, an occupation which we know.

With brotherly regards in the name of the Committee of Non-Combatants, Johann A. Harder, secretary.

Bob Friskey

Sergeant Observer Robert Friskey

Robert, son of Mr. and Mrs. D. Friskey of DeLair road, Abbotsford, was born in Scotland on January 22, 1921, and with the family came to Canada some years ago. He attended Philip Sheffield high school, graduating in 1938. He enlisted in the RCAF from Abbotsford on April 8, 1942, and on Sept. 30 of that year, married Isobel T. MacBlain of Chilliwack. Robert has three brothers-in-law serving in the forces, one in the navy, and two in the Canadian Army.

NATIONAL SELECTIVE SERVICE

Important Notice TO CERTAIN EMPLOYERS AND EMPLOYEES

TO MAKE available for essential employment the services of men in classes already designated as callable for Military Training under National Selective Service Mobilization Regulations, two Orders were issued during May.

It is now illegal for any employer to continue to employ or to engage any man affected by these Orders, except under special permit from National Selective Service. Employees affected must report to the nearest Employment and Selective Service Office, and be available for transfer to more important work.

If you as an employer or as an employee, have not complied with these Orders, do so immediately. Get in touch with the nearest Employment and Selective Service Office either personally or by writing. Further delay will involve penalties. Compliance with the law in wartime is the minimum duty of every citizen.

The age and marital classes of men covered by these Orders are as follows:

- (a) Every man born in any year from 1917 to 1924 (inclusive) who has reached age 19.
- (b) Every man born from 1902 to 1916 (inclusive) who, at July 15th, 1940, was: (i) unmarried; or (ii) divorced or judicially separated; or (iii) a widower without child or children.
- (c) Every man born from 1902 to 1916 (inclusive) who has, since July 15, 1940, become a widower without child or children now living.
- (d) Every man born from 1902 to 1916 (inclusive) who, since July 15, 1940, has been divorced or judicially separated.

Men as described above are covered if in any of these employments:

- (1) Any occupation in or associated with retail stores;
 - (2) Taverns or other establishments selling liquor, wine or beer;
 - (3) Barber shops and beauty parlours;
 - (4) Wholesale florists;
 - (5) Gasoline-filling and service stations;
 - (6) Retail sale of motor vehicles and accessories;
 - (7) Any occupation in or directly associated with entertainment including but not restricted to theatres, film agencies, motion picture companies, clubs, bowling alleys, pool rooms;
 - (8) Any occupation in or directly associated with dyeing, cleaning and pressing (not including laundry work); baths; guide service; shoe shining;
 - (9) Any occupation in or directly associated with the manufacturing of feathers, plumes and artificial flowers; chewing gum; wine; lace goods; greeting cards; jewelry;
 - (10) Any occupation in or directly associated with distilling alcohol for beverage;
 - (11) Any occupation in or directly associated with the factory production of statuary and art goods;
 - (12) Any occupation in the operation of ice cream parlours and soda fountains;
 - (13) Any of the following occupations: bus boys; charmen and cleaners; custom furriers; dancing teachers; dish washers; domestic servant; doormen and starters; elevator operator; greens keepers; grounds keepers; hotel bell boy; porters (other than in railway train service); private chauffeurs; taxi driver; waiter.
- If in doubt as to the application of these orders, consult the nearest Employment and Selective Service Office. But once again; if you have not already complied, do so without further delay.

Sanitation the Beginning of Public Health

Contributed by
M-S-A Health Unit

Sanitation was the beginning of public health. In early times, when man first set up what is known as Community Society, the necessity for a system of sanitation was recognized since exchange of diseases among tribal neighbors began to occur. Through the years, certain legislation has been developed to preserve the health of common dwellers.

Sanitation may be divided into several features including water supply, sewage and refuse disposal.

In rural areas, most of the water is obtained from surface sources, that is, dug wells. The sanitary regulations of the Provincial Board of Health demand that such wells be situated at least 100 feet from any probable source of contamination, such as a privy, cesspool, manure heap, stable or pigsty, and that the surface drainage be away from the well. The dimensions of the well are to be 3x6x25 feet or more in depth. The top of the well must be leakproof and the sides constructed of a water-tight material for a reasonable depth below the surface of the ground. Wells should be provided with a pump.

If at any time there is doubt about the purity of the drinking water, it is advisable to boil or chlorinate it. Boiling rids the water of some tastes and odors, precipitates colors, rids of hardness and kills bacteria. Chlorination is simple but must be carefully controlled. The formula is as follows: Three level table-spoons of fresh chloride of lime. Add water and mix to a smooth paste. Add water up to one pint. This makes a 2% solution. Add two drops of this solution to one gallon of water and let stand for 15 minutes before using.

Garbage Disposal
Sewage and garbage disposal present a definite problem in rural areas, where each household is responsible for the sanitation of his own home.

As well as offending our aesthetic sense, carelessness in regard to garbage disposal is a health menace because it provides an ideal breeding place for flies and rats, both of which are potential carriers of disease. Dry garbage may be wrapped and burned or buried not less than three inches and not more than 30 inches below the surface of the ground. Householders can improve their own incinerators from old stoves, airtight heaters and large tin barrels. Tins that have contained protein material such as fish or meat should be burned immediately before disposal and other tins should be washed out.

Liquid waste may be disposed of first by leading into a cess-tank, or by throwing upon or irrigating pieces of land in alternating or intermittent manner. When the land used for this purpose is non-porous or damp, deep

The Canadian Pacific Airlines repair plant at New Westminster, where more than 1000 skilled workers give new life to worn or damaged RCAF planes, was officially opened on Sunday in the presence of government and civic officials, RCAF representatives and plant employees and members of their families. Following a brief program, with the Hon. E. W. Hamber as chief speaker, guests were shown the plant where important war work is in progress. Invitation cards were necessary to gain admittance.

This plant is the largest of the five aircraft repair and engine overhaul plants operated by Canadian Pacific Air Lines. It has more than 1000 employees and is steadily expanding.

Canadian Pacific Air Lines also

absorbent drains must be laid not less than three feet below the surface of the ground. Any non-absorbable material must be spaded in or covered up with earth as required.

The outdoor privy is the least satisfactory of all our modern systems for private residence and is recommended only where no other method is available. The essential requirements for a privy are:

1 A fly-tight building ventilated through screened openings. They can be made fly-tight during the summer by papering the inside with building paper as wall paper and ordinary flour paste.

2 Self-closing door and self-closing seat cover.

3 Use of ashes, sand or dry earth on privy contents; chloride of lime as a fly larvicide during summer months.

4 Regular emptying of pail or vault privy.

5 Location so that natural drainage is away from wells or other water supplies.

Should anyone require additional information on these subjects or wish to have the purity of his water supply tested, the health office will be glad to cooperate to the fullest extent.

KILGARD FIRST AID MEMBERS RECEIVE ST. JOHN CERTIFICATES

Certificates in First Aid to the injured for members of Kilgard branch of the St. John Ambulance Association who recently underwent their tests have been received by H. V. Smith, instructor. Fourteen members of the class passed, four men and ten women:

Sidney Meyers, David Mathers, Lorrie Jones and Vallner Clingwall; Misses Blanche and Olive Keeping, Jessie Mathers, Eleanor and Elsie Salisbury, Irene Hopkins, Vera Cape, Mrs. S. Meyers, Mrs. J. McDonald and Mrs. Agnes McKinnon.

MANY MORE COWS

A great increase in the number of cows in Whatcom County was noted by speakers at the annual picnic of the county Jersey Cattle Club held at Lynden park. Dairymen were advised to put up all possible hay and told beet pulp, wheat and barley may be obtainable from Ellensburg and Yakima this fall.

operates on a non-profit basis six air observer schools and one elementary flying training school is the largest single civilian organization connected with the British Commonwealth Air Training Plan.

CPAL's fleet of modern planes last year flew approximately six million scheduled air miles and carried the record total of almost ten million pounds of air cargo. Ninety percent of this was estimated to have been closely connected with the war effort.

Photographs show the new plant, employees repairing the wing of a Stranraer and (inset) G. A. Thompson, plant manager.

NOW IS THE TIME TO STRIKE

It's time to strike! For over three long years the Army has been training... impatient... straining for action—now we're ready to fight like all-hell broke loose. There's nothing "phony" about the Army's role... THE ARMY MUST FINISH THE JOB!

Don't fool yourself that the enemy will simply fold up... we expect heavy casualties... we'll need reinforcements. It takes a year to train a soldier. That's why your active help is needed—not next year—BUT RIGHT NOW! Men and women, if you are of military age and physically fit, volunteer now! Be ready to play your part in order to hasten the glorious final showdown.

THE ARMY NEEDS...

MEN, 18 to 45 years of age, and physically fit, for the Canadian Active Army.

YOUNG MEN of 17, with Grade 8 schooling, for special trade-training courses.

WOMEN from 18 and under 50 years of age, without dependents, for the CWAC.

VETERANS of the last war, under 55 years of age, for the Veterans' Guard.

For information regarding enlistment in the Canadian Active Army, apply to any Army Recruiting Office or your local Civilian Recruiting Adviser. In Vancouver, apply to Recruiting Offices at Vancouver Barracks, Granville St. (Old Hotel Vancouver).

BARCLAY—ARMSTRONG

MISS M. CAMPBELL
IS SHOWER GUEST

Summer flowers in shades of rose, blue and white decorated the church and altar of Trinity United Church on Saturday for the wedding of Ethel Beryl Armstrong of Abbotsford and John Jamieson Barclay of Bradner. The bride is the twin daughter of Mr. and Mrs. I. N. Armstrong and the groom, the son of Mrs. R. J. Nicholl and the late Mr. Barclay. Rev. G. R. Tench performed the ceremony.

The bride, who entered the church on the arm of her father, was lovely in a floor-length gown of white chiffon crepe. Her sweetheart veil was held in place by a coronet of flowers, and she carried a bouquet of stephanotis and pink rose buds.

Miss Eva Armstrong was her twin sister's bridesmaid and she wore a floor-length blue crepe with matching veil and headdress. She carried pink and white carnations.

LAC Les Fatkin was the best man and the ushers were Richard Fatkin and Colin Carmichael. During the signing of the register, Mrs. W. W. Coutts sang "I Love You Truly," accompanied by L. Farrow who played the nuptial music.

After the ceremony a reception was held in the church hall. The bride's table was centred with a decorated three-tier cake which was flanked with white tapers. Blue and white streamers fell from a large white bell, and bouquets of summer flowers completed the table decorations.

The bridal couple was assisted in receiving the guests by Mr. and Mrs. Armstrong and Mr. and Mrs. Nicholl. Mrs. Nicholl chose a navy suit and Mrs. Armstrong a medium blue frock. Both pinned corsages of pink and white carnations to their costumes.

A. F. Armstrong of Haney, uncle of the bride, proposed the toast to the bride and the groom replied.

Serviteurs included the bride's sisters and sister-in-law, Miss Enid Armstrong, Mrs. J. Wolstenholme and Mrs. Alvin Armstrong; the groom's sisters, Misses Nettie and Rebecca Barclay, and Mrs. S. Bergman.

Following the reception Mr. and Mrs. Barclay left for a short wedding trip.

HUNTINGDON W. I.
SEND DONATION TO
GREEK RELIEF FUND

Mrs. W. J. Fraser, with Mrs. N. Trowsdale and Mrs. E. Swaile as co-hostesses, entertained Huntingdon Women's Institute on Wednesday afternoon.

Guests for the afternoon were members of the Upper Sumas W. I. Mrs. E. E. Harris of Yorkton, Sask., who is visiting her daughter, Mrs. Howden Carson, was presented with a corsage by Mrs. H. E. Beetlestone. The roll call "slang expressions," caused a great deal of amusement.

A donation was voted to the Greek Relief Fund. The report read from the Huntingdon Junior Red Cross showed an active year.

The remainder of the afternoon was spent in a social time with interesting contests. Mrs. Fred Corbett of Upper Sumas entertained with her piano accordion. Dainty refreshments were served by the hostesses. There will be no meeting of the Institute until September.

VACATION BIBLE
SCHOOL PLANNED BY
PENTECOSTAL CHURCH

For some weeks a group of teachers have been preparing for a Vacation Bible school for boys and girls of Abbotsford.

"In these days of juvenile delinquency," states Rev. J. Peel, there is a great need for a united front to protect our youth. The need cannot be met by any one group or society of people but it requires the vigorous effort of all. Hence this carefully arranged program by the Pentecostal church, which wishes to help in this great problem. The church for many years has been looked to to set those standards and we most certainly cannot afford to fail in these anxious times."

During the weeks of June 28 to July 9, a varied program of studies and handwork will be given. These studies include Bible instruction, missionary studies, music and handwork. At the conclusion of the ten days' course there will be a climax on Friday evening, July 9, at 8 p.m. at which time the work done by the children will be displayed and graduation program featured.

Devotion to a task is a better measure of success than dollars.

MRS. P. MITCHELL
SHOWER HONOREE

Mrs. C. Edwards and Mrs. F. Ferguson were co-hostesses recently at a surprise shower for Mrs. Perry Mitchell (nee Eileen Wright) held at the home of the bride's parents.

The rooms and bride's chair were attractively decorated with summer flowers. The gifts were presented to the bride in a beautifully decorated basket by Patsy Kiersted and Betty Kish.

Invited guests included the bride's parents, Mr. and Mrs. J. Wright, the groom's parents, Mr. and Mrs. I. Mitchell; Mr. and Mrs. S. Kiersted, Mr. and Mrs. T. H. Wright, Mrs. Fraser, Mr. and Mrs. L. F. Kish, Mr. and Mrs. E. Jones, Mr. and Mrs. D. McFee, Mr. and Mrs. R. Smith, Mrs. Herring, Mr. and Mrs. C. Boury.

Misses J. Bruskey, Jean Wright, Lily Wakefield, Dorothy Jones, Violet Hay, Mary Trimmell, Rosie Wright, Barbara Kiersted, Grace Ferguson, Mrs. F. Stromberg, Messrs. H. Smith, F. Ferguson, Norman Edwards, David Wright and George Ferguson.

**HUMAN DOMINATION
WOULD FORCE ON MAN
A GODLESS SYSTEM**

Christian Science President
Speaks to Annual Session

At the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., the retiring president, Mrs. Elisabeth Norwood of Brookline, Mass., said it is not people who are waging the present world conflict, but forces of evil "working through people to destroy the very foundation of true Christianity."

"But we should not fear," she said, "for God, omnipotent good, is working through those who are fighting for right." She spoke in part as follows:

"Human domination would force upon mankind a godless system in which there is no love. In her Message for 1901, Mrs. Eddy writes: 'Godliness or Christianity is a human necessity; man cannot live without it; he has no intelligence, health, hope, nor happiness without godliness.'"

Realize Presence

"May those fighting in the front of the battle today realize the protection and presence of God and His Truth, and may we in the rear of the battle fill our hearts and our minds with the spirit of godliness, the spirit of love. May we add not one atom of fuel to the fury of mortal mind, but diligently pray that the whole world shall find refuge in Christ, and turn to the Comforter which giveth to all men the right of individual salvation, and the kingdom of heaven within."

SPORTS

WRENCH WENCHES TO MEET TEDDY SHE-BEARS

Boys Play Last League
Game on Schedule

Abbotsford softballers will meet Mission high school Sunday in Abbotsford in the local team's last league game of the season. The game is scheduled for 2 p.m. on Jubilee grounds, and will be followed by a girls' game—the Teddy She-Bears, angelled by Tom Irvine of the Teddy eBar, versus Abbotsford Motors' team the Wrench Wenchies.

The girls have rounded up two good ball teams and after their several practises should offer a good contest as the second half of Sunday's double-header.

ABBOTSFORD SOFTBALLERS TASTES FIRST DEFEAT IN SEASON FROM CAN SQUAD

Abbotsford's softball team suffered its first defeat of the season on Sunday when they went down to the strong Mission Cannery team to a score of 12-7 on Jubilee grounds.

Mission collected some good hits from the pitches of Gus Vesterback on the mound for Abbotsford, and many that were not legitimate hits were chalked up as errors against the infield.

Scoring for Mission began in the first inning, but was held down until late in the game when everything they hit scored over the plate. Abbotsford's power at the bat was at a good average but all hits were fed right to the fielders.

Until this game, Abbotsford had handled all other games easily, coming through with eight wins in as many games. The loss of Sunday's game put the cannery and Abbotsford in tie position for top of the 4-team league.

Playdowns will be held July 1 at Mission, but before that time Abbotsford and the cannery may have to meet again to decide the league winners.

Gus Vesterback and Cliff Smith made up Abbotsford's battery on Sunday and Mission's catcher was Howie Ralston, an Abbotsford product.

With the Forces

Clifford Orrock, RCAF, is on a 12-day leave from the prairies. While home, he is spending part of the time with his sister, Mrs. Hudson at Mission.

L/Cpl. Len Zink visited with friends in Abbotsford Monday. Len soon goes up for a commission, it is understood.

Staff Sgt. Bill Kunzmann, U.S. Army Air Forces, has been home on a four day leave spent with his parents, Mr. and Mrs. Wm. H. Kunzmann at Matsqui. Bill is radio man on one of the largest American bombers, but says the crew-team has not picked out a name yet for its plane. Bill returns to duty on Thursday.

Sgt. Pilot Jim McPhee, RAF, returned to Calgary on Tuesday to resume his instructing duties. Jim is stationed at No. 37 SFTS, an RAF station for the training of fighter pilots. Jim and iBill Kunzmann (talked of above) old school chums who had not seen each other since Jim went overseas at the outbreak of war, got together a few times during their coincident leaves.

L/Bdr. Lorne Vanetta was at home at the weekend.

Don Fraser, RCAF, is spending a leave with his wife in Abbotsford.

Lieut. Connie Plowright, Royal Canadian Army Medical Corps, has been transferred to a prairie training centre after serving at a coast military hospital.

ry farms. While these lands were presumably reserved for Soldier Settlement in the post war period, it was feared the Mennonites would be able to retain many of the properties. Another delegate declared it was reportedly the intention of these people to acquire land now with a view to its resale after the war at advanced prices. Abbotsford delegates expressed doubt that this was correct.

The chairman asked Lang. Sands, president of the Abbotsford & District Board of Trade, to make a report on the use of the German language by Mennonites and the feeling of the board in this connection. Mr. Sands reported use of German very prevalent. His board understood it was the language in which Mennonite religious services and meetings were held, that the Sunday schools were conducted in this language and the children instructed to sing their hymns and speak in the German language; the hymns were printed in German. Previous German language schools were conducted and, it was generally believed, this is still the practice. German could be heard on the streets of Abbotsford, particularly on Saturday shopping nights and the Victory Loan Committee had considered it advisable to appoint one salesman who could contact these people in German. It was believed the education of Mennonite children in schools was made more difficult by the insistence in their homes on the use of German; the children did not get normal practice in English except at school and the playground.

Unfair to Children

Mr. Sands reported that, in representations before the B. C. Post-war Rehabilitation Committee, his board had contended the Mennonites were preferable to the Japanese as the Mennonites could be assimilated and would become Canadians in a few generations, whereas the Japanese could not be assimilated.

While it was realized that German was the language of the older Mennonite people, it was felt that their insistence on conducting church and Sunday school, Bible class and meetings in German and instructing their children in German was unfair to Canada and to their children. It prevented these people from becoming good Canadian citizens as rapidly as they would if this enemy language was allowed to fall into disuse.

There was no desire, the Abbotsford trade board president said, to deprive these people of land already owned. It was felt, however, that there should be equal responsibility for equal privilege of Canadian citizenship and that land ownership and accompanying privileges should not in future be permitted to persons unwilling to assume full citizenship responsibilities.

After hearing other speakers on various phases of the subject, it was decided to await reply of Premier Hart as to provincial responsibility and in the meantime to appoint a standing committee on the subject which would report at the next meeting.

After discussing the increasing transportation problems in regard to holding meetings, New Westminster was selected for the next session and delegates adjourned to be entertained at a nearby cafe by Mission and District Board of Trade. A majority of the delegates remained to participate in the evening in observance of the 50th anniversary of the founding of the host board of trade.

George Morberg, who comes from near Prince Albert, Sask., is staying at Kilgard at present with a view to settling in the Area later.
